

Transurethral Resection Bladder Tumour (TURBT)

A doctor uses an instrument (a resectoscope) to reach the bladder through the urethra. No incision is needed. Abnormal growths or tumours are then removed and sent to the laboratory for further testing.

Prices from:
\$75,900

Package Fee (including hospital and doctor fees)

	Standard Room	Twin Room	Private Room
Transurethral Resection Bladder Tumour (TURBT)	\$75,900	\$102,500	\$134,400

Prices Include:

- Room and meals (3 nights)
- Operating theatre
- Specialists' fee
- Nursing care
- Drugs and dressing

Terms and Conditions:

- The package does not include procedures, laboratory or imaging tests, special equipment, treatment and medication beyond those included in the package.
- A specialist consultation is required prior to the procedure.
- This package is only available for designated doctors.
- Other extra charges include emergency or unsocial hours services beyond the routine procedures; procedures extending beyond the scheduled operating theatre time; and miscellaneous items such as extra refreshments and IDD telephone calls.
